## Rep. Lisa Subeck gives her maiden speech in the State Assembly

MADISON – Yesterday Rep. Lisa Subeck (D-78) gave her maiden speech on the floor of the State Assembly. She spoke in favor of an amendment she introduced to the Assembly rules that would allow citizens to hold up signs in the gallery while the Assembly is in session.

“It is incomprehensible to me that citizens may bring guns into this chamber, but they cannot bring a simple sign expressing their views on the issues on which we are voting, the issues on which we are making critical decisions. If one values the 2<sup>nd</sup> amendment, you must also value the 1<sup>st</sup> amendment” Rep. Subeck said.
